Lynda,

I wasn't sure if you wanted this to go Don or whether you would like to revise? This is due to Kristie on Monday.

AWPD,

Just as we were requested to prepare q&a's for the hearings, so were the Regions. R10 submitted a q&a on Washington and Oregon's CZARA program. We've been asked to review it. The q&a needed a lot of work just to meet the guidelines. I've tried to rework it so its one page, short bullets for the answer, all in the same font, etc.

Please have a look and let me know if you have any comments/concerns. Can you get back to me by Monday?

Thank you,
Kristie
